

# In the Supreme Court of the State of Alaska

David A. Dirkes,

Appellant,

v.

Marissa J. Dirkes,

Appellee.

Supreme Court No. S-17907

## Order Returning Appellant's Brief

Date of Order: 3/17/21

Trial Court Case No. 3AN-16-05779CI

Appellant's brief and excerpt of record, filed on 3/16/21, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212.

*No excerpt of record was provided; see Appellate Rule 210(c) and the clerk's instructions for preparing briefs and excerpts of record at [http://courts.alaska.gov/shc/appeals/docs/print\\_appealbriefs.pdf](http://courts.alaska.gov/shc/appeals/docs/print_appealbriefs.pdf).*

*Any statements of fact or reference to the trial court record should include a citation to the excerpt of record page number where that fact or document begins, for example, for the statement, "The fact that the Appellee states that she has been the primary care giver for the child's whole life basically saying I was never around", you would cite page 75 of the Transcript immediately following the statement, fact, or document, [Tr. 75].*

*If not including an excerpt of record, any statements of fact or references to the trial court record should include a citation to the Bates number where that fact or document begins on. These citations should be included in the "Statement of Issues" section and the "Statement of the Case" section. The Bates numbers are the blue numbers on the bottom right of the electronic record on appeal.*

If the Appellant wants the court to accept this opening brief as is, he may file a notice saying so.

The original and one copy of the corrected brief, and the excerpt (if one is being filed), with proof of service, are due on or before **3/26/21**.

Entered under Appellate Rule 102(f).

Clerk of the Appellate Courts
